Percutaneous revascularization of chronic total occlusions (CTO) is without any doubt the most challenging procedure in coronary interventional cardiology. The knowledge of new techniques, as well as new dedicated wires and devices, allow to optimize procedural success also in other complex coronary interventions, in elective or urgent settings. This new edition of CTO Summit in Turin is focused on Live cases, case review sessions and lecture from experts.

## PRE-Course April 22<sup>nd</sup> afternoon

- 16:00 Welcome and opening address
- 16:15 Lectures and interactive discussion
- Devices:**  
**Guide structure and utilization**  
**Microcatheters: single and dual lumen**  
**Guiding catheter extension**
- 17:15 Lectures and interactive discussion
- Techniques:**  
**Antegrade: basic concept and practical approach**  
**Antegrade: complex procedures and IVUS integration**  
**Retrograde: basic concept and practical approach**  
**Retrograde: complex procedures and IVUS integration**
- 19:00 Closing Remarks

## April 23<sup>rd</sup> 2020

8:15 Welcome and opening address

### MORNING SESSION: 8:30 - 13:30 CLINICAL SESSION

- 8:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 10:30 Lecture: "CTO: a real clinical problem? Prevalence and reason to start a dedicated program in high volume Cath Lab"
- 10:40 Lecture: "Expectation from a CTO meeting"
- 10:50 Lecture: "CTO treatment: not just for fun. Insight from new scientific evidences"
- 11:00 Lecture: "Advanced non invasive imaging: new perspectives"
- 11:10 Discussion
- 11:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 13:30 Lunch

### AFTERNOON SESSION: 14:30 - 17:45 TECHNICAL SESSION

- 14:30 Lecture: "How I choose the right wire in a specific setting. Learn from a master experience"
- 14:40 Debate 1: "Aggressive dissection is not an enemy"
- 14:50 Debate 2: "We have a definite vessel structure. Pay respect to intimal tracking"
- 15:00 Lecture: "Impenetrable proximal CAP. Don't be too shy..."
- 15:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 17:45 Closing Remarks

PARALLEL SESSIONS: 10:30 - 11:30 / 14:30 - 15:30

## April 24<sup>th</sup> 2020

### MORNING SESSION: 8:30 - 13:30 COMPLICATIONS

- 8:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 10:30 Lecture: "Complication: how to prevent the nightmares"
- 10:40 Lecture: "Complication: how to solve the nightmares"
- 10:50 Lecture: "My most two teaching complications of the year"
- 11:00 Lecture: "My worst two unsolved complications"
- 11:10 Discussion
- 11:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 13:30 Lunch

### AFTERNOON SESSION: 14:30 - 17:45 TECHNICAL SESSION

- 14:30 Lecture: "True ostial CTO lesion"
- 14:40 Lecture: "Manage the Calcium"
- 14:50 Lecture: "Post CABG patient. Graft management after native vessel reopening"
- 15:00 Lecture: "Damn. A failure. How to manage"
- 15:30 Live cases from S. Giovanni Bosco Hospital and Maria Vittoria Hospital
- 17:45 Closing Remarks

PARALLEL SESSIONS: 10:30 - 11:30 / 14:30 - 15:30
